

Invest in Yourself: Start Your Retirement Journey Today!

ELEVATE YOUR STAY

Whether you're just starting your journey or looking to enhance your existing retirement strategy, every contribution counts.

It's Easy & Convenient. Your contribution is automatically deducted from your pay and deposited into your account.

Employer Matching Contributions. Take advantage of potential employer matching contributions—it's like getting free money to boost your retirement savings even further.*

Tax-Deferred Savings. Money is put into your retirement account before federal (and most state) taxes. That means you don't pay taxes on it until you take the money out.

You're in Control. Decide your contribution amount and investment strategy. Not sure how to invest? Our team at Waypoint Financial Advisors is here for you.

*Matching contributions from your employer may be subject to a vesting schedule. Please consult with your financial advisor for more information. 401(k) plans are long-term retirement savings vehicles. Withdrawal of pre-tax contributions and/or earnings will be subject to ordinary income tax and, if taken prior to age 59 1/2, may be subject to a 10% federal tax penalty.
